2. The period of training is one year in the case of the students of the two higher grades and two years in the case of the students of the Elementary grade lower.

3. The Inspector of European and Training Schools will make the selection on the recommendation of Inspecting officers.

4. Inspecting officers are requested to forward two lists—one of selected and the other of rejected candidates.

5. The lists of selected and rejected candidates should be forwarded to the Inspectors of Schools of the respective circles by the subordinate Inspecting officers in time for the former to consolidate them and forward them to the Inspector of European and Training Schools before the due date. The names of selected candidates should appear in the list in the order in which the subordinate Inspecting officers wish they should be taken, i.e., they should be selected in reference to their general education attainments, their service as teachers, the need for their training and the nature of their appointment and the school from which they apply for training. Candidates who do not satisfy the condition of age limit under rule 114 of the Madras Educational Rules should not, except in very special circumstances, be included in the list and the selection should be regulated, as far as possible, by rule 119. In the case of rejected candidates, the reasons for rejection should be mentioned against each.

6. To provide for the contingency of some of the candidates selected not joining the Training School, a few more than the sanctioned number will be selected by the Inspector of Training Schools for each range. All selected candidates who present themselves at the Training School on the opening day will be admitted, those who present themselves later will be admitted in the order in which they present themselves but only up to the number of sanctioned vacancies.

7. The list should include no one who has not been a teacher before or concerning whom there is a doubt whether he really intends to make teaching his profession.

8. In the selection of candidates for training next year, those who were awarded stipends this year but were refused admission on account of their not appearing in time might have a first claim for admission.

9. In addition to Provincial stipendiaries, candidates whose stipends are paid by Local or Municipal Boards will be admitted *for training*, as also private candidates as free students.

10. As regards qualification for admission, only those candidates who have passed the annual examination of the third form or seventh standard and have been found fit for promotion to the fourth form or have been awarded an elementary school-leaving certificate of the seventh standard are eligible for admission into the elementary higher class and only those who have passed the late Primary School examination or a corresponding public or school examination or whose attainments in the opinion of the Inspecting officers are not lower than these are eligible for admission into the elementary lower class. Preference should be given, as much as possible, to candidates who possess educational attainments are above these minimum requirements. The certificate of general education should be sent in original with the application. The certificate of physical fitness need be produced only by the candidates chosen as stipendiaries. Separate conduct certificates need not be submitted by candidates whose applications are signed by an Inspecting officer.

11. In cases in which the number of candidates applying for training is in excess of the number for whom there is provision, the selection should be made on the result of an entrance examination conducted by the Sub-Assistant Inspector of Schools. The number of stipends available for each range is the same as that furnished in November 1908.

12. Printed forms of applications can be obtained from the Inspector of European and Training Schools from and after the 31st August 1908.

13. Applications completed in accordance with the above instructions should reach the Inspector of European and Training Schools before the 15th October 1908.

14. Admission into Training Schools for Masters under private management will be regulated by rules 7, 10 and 11 in addition to those contained in Chapter X of the Madras Educational Rules.

REVENUE NOTIFICATION.

NOTIFICATION.

In exercise of the powers conferred by section 82 of the Madras Proprietary Estates Village Service Act II of 1894 and section 16 of the Madras General Clauses Act I of 1891, the Board of Revenue directs, with the approval of Government, that the following be substituted for rule 2 of the rules published at page 1231 of Part II of the *Fort St. George Gazette*, dated 4th November 1907:—

"When a village cannot be clubbed and its assets are insufficient to maintain the full complement of village officers, the Collector shall determine which of the existing officers, viz., headman or karnam, should be retained under section 7 of Act II of 1894 (Madras) and, in doing so, consider the relative capacity of the actual incumbents to discharge the duties of headman, karnam and manual. The incumbent of the office selected for retention shall perform the duties attached to those three offices. The other office or offices shall be abolished. An exception to the rule may be made when the size, population or other circumstances of a village justify the entertainment of both headman and karnam."

Bill No. 2 of 1908.—A Bill to amend the Madras District Police Act, 1859, and the Madras Towns Nuisances Act, 1889, with the Statement of Objects and Reasons (Tamil), (Telugu), (Canarese), (Malayalam) and (Hindustani)

Bill to be introduced into the Council of the Governor of Fort St. George for making Laws and Regulations.

Under No. 38 of the rules for the conduct of business at meetings of the Council of the Governor of Fort St. George for making Laws and Regulations, the following Bill, with Statement of Objects and Reasons, is published for general information:—

No. 2 of 1908.

A Bill to amend the Madras District Police Act, 1859, and the Madras Towns Nuisances Act, 1889.

XXIV of 1859.

III of 1889.

Preamble.

WHEREAS it is expedient further to amend the Madras District Police Act, 1859, and the Madras Towns Nuisances Act, 1889; It is hereby enacted as follows:—

1. This Act may be called the Madras District Police and Towns Nuisances Acts Amendment Act, 1908.

2. In the definition of the word "subordinate" in section 1 of the Madras District Police Act, 1859, the words "and Deputies" shall be inserted after the word "Assistants".

XXIV of 1859.

3. In section 10 of the Madras District Police Act, 1859,

(*a*) after the words "the Inspector-General of Police", the words "Deputy Inspectors-General" shall be inserted; and

(*b*) for the word "Deputy" before the word "Superintendents", the word "District" shall be substituted.

III of 1889.

4. In section 9 of the Madras Towns Nuisances Act, 1889, the words "or Deputy" shall be inserted between the words "Assistant" and "Superintendent".

STATEMENT OF OBJECTS AND REASONS.

The creation of the new grade of Deputy Superintendent of Police in the Madras Presidency necessitates the amendments proposed in clauses 2 and 4 of the Bill. The duties of Deputy Superintendents are similar to those of Assistant Superintendents; and the Bill accordingly vests Deputy Superintendents with the same powers as those exercised by Assistant Superintendents under the Madras District Police Act, 1859, and the Madras Towns Nuisances Act, 1889.

2. At present Deputy Inspectors-General of Police exercise certain powers as regards the punishment of police-officers. It is advisable that power should be taken to enable them to exercise the same powers of appointment as those possessed by District Superintendents of Police. The amendments proposed in clause 3 (*a*) are designed to give existing practice legal force and to make provision for conferring upon the Deputy Inspectors-General certain powers of appointment.

3. The words "*Deputy* Superintendents" occurring in section 10 of the Madras District Police Act, 1859, appear to be a clerical error for *District* Superintendents; and the amendment proposed in clause 3 (*b*) is to correct the error.

18th August 1908.
